## HEALTH & WELL-BEING PARENT WORKSHOP

Previously this term, HIP Psychology had worked with our Key Stage 2 pupils and the staff as part of staff development this year on the areas of resilience and well-being.

The programme has been a joint initiative with our local Loughshore Primary Schools (Derrychrin P.S., St. Peters P.S., Moortown, St. Patrick's P.S., Mullinahoe, & St. Patrick's P.S., Loup) focusing on Health & Well-Being of everyone during the current COVID pandemic.

HIP Psychology comes with a wealth of experience having worked with over 130 schools in the last two years as well as working with Ulster Rugby delivering sport psychology support.

The workshop was an interactive, engaging webinar that provided parents with strategies to support their child.

The sessions covered three key themes:

- How to support the different areas of your child's well-being.
- Resilience what it is and practical strategies to enhance it.
- Effective Communication with your child, dealing with praise and supporting them through setbacks.

Thank you to all parents who attended the online webinar.

## **Fresh Little Minds**

As part of our Health & Well-Being initiative this year linked to the COVID pandemic and Education Restart, we are delighted that Lorretta Daly from 'Fresh Little Minds' is currently delivering a six week programme to our P1-P4 pupils.

In this energising and fun six week programme, 'Fresh Little Minds' encourages the children to go on an adventure exploring emotions and learning calming techniques that helps their bodies feel better. Within each session children will also complete a gratitude practice and passport booklet.

The six sessions will cover the themes:

- GROW WEEK 1 - GET SET GROW!
- GROW WEEK 2 - BRAINZOTIC!
- GROW WEEK 3 - KINDSHIP!
- GROW WEEK 4 - ALL BOTTLED UP!
- GROW WEEK 5 - PEOPLE TIME!
- GROW WEEK 6 - WINNING WAYS!

We are delighted we can provide the programme for our pupils and we are confident that they will thoroughly enjoy it gaining a positive experience.

### **ANTI-BULLYING WEEK 2020**

Brilliant work by all the children who took part in class activities and also to the P5-P7 children for wearing odd socks to mark the importance of Anti-Bullying week 2020 and the theme 'UNITED AGAINST BULLYING'. 'The Starfish Story' reminded the pupils that even the smallest thing can make a huge difference and if we can help just one person with a simple gesture, then we must not let that opportunity pass by without doing something kind.

### **STEM VIRTUAL WORKSHOP**

P5-P7 pupils got the opportunity to participate in a STEM virtual workshop delivered by SENTINUS with the pupils making a moveable machine/car. They then completed a Science investigation to find out the distance and time travelled using a ramp. The science investigation template included questions, predictions, factors and resources which was also linked to Numeracy and Literacy.

The pupils developed many STEM skills and with many future engineers enjoying the practical learning.
