Archbishop Martin Writes: A Day of Prayer for Ukraine

“As a gesture of solidarity for Ukraine, stricken by the war that has already lasted many months, it is proposed that a day of prayer be held throughout the whole continent. The date that has been chosen is 14 September, the Feast of the Exaltation of the Holy Cross, which is celebrated in a particularly solemn way in the Eastern Rite.”

Prayer For Peace In Ukraine

Loving God, we pray for the people of Ukraine, for all those suffering or afraid, that you will be close to them and protect them. We pray for world leaders, for compassion, strength and wisdom to guide their choices. We pray for the world that in this moment of crisis, we may reach out in solidarity to our brothers and sisters in need. May we walk in your ways so that peace and justice become a reality for the people of Ukraine and for all the world. Amen

Refurbishment Work Begins At Ballylifford School

Over the Summer months, there will be a number of significant works undertaken to improve our school infrastructure, including painting of the exterior building, complete refurbishment of both boys and girl's toilets and the installation of a ramp to facilitate access at the front of our school. These works will significantly benefit our children and staff and we look forward to seeing the results after the Summer break. A huge thank you to everyone who has donated to raising funds for the painting of the exterior school building - we are grateful for your support in these difficult financial times!
